

Submitter: Jody Morgan  
On Behalf Of: Tax paying citizens  
Committee: House Committee On Housing and Homelessness  
Measure: HB3501

This is a slap in the face move...take from the working people to give FREELY to those that refuse to work. How long can the balance of TAKERS to contributors last. I'm sick and tired of all the " take care of me programs" this sanctuary state had created...if you build it they will come and by gosh they've come. Now we're to give up even more rights to accommodate the influx YOU'VE created. Are these people paying your salaries?? The answer is easily NO! We are and yet we have NO VOICE, NO RIGHTS!!! Find another solution to the problem YOU created.
