Measure: HB3501

I totally oppose this law. Home owners in Oregon pay the 2nd highest in the country for property taxes. Middle class is hit hard. Do not impose on us this utterly ridiculous law of allowing homeless, drug addicts and criminals inhabit my home. I'm recovering for 33 years. Did it all on my own and bought my house all on my own. It's time the state anted up and took care of this problem. Send the 60 some % that are not from Oregon back to where they came from, Oregon has allowed too much leniency for this people. How how about protecting those of us that are law abiding citizens. I don't have an extra \$1000 for a homeless person to sue me for not protecting their rights. What about me?  
I urge you to vote no on this ridiculous law.
