

Submitter: CC Wilson

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

All public lands are NOT campgrounds, including most public parks. In fact, most are not. Limit camping to campgrounds. Sidewalks and public parks are not campgrounds and public streets are not RV parks. Why are the homeless exempt from fees and rules that the rest of the population pays and obeys? Their plight is unfortunate, but letting the homeless ruin, impede, and take over public lands and facilities is not a solution.
