

Submitter: Terrance Compton

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

This bill is an absolute travesty. Oregon, and the greater Portland metro area specifically, has been plagued by homeless people; some mentally ill, violent, and/or heavily addicted to drugs. This bill only furthers to empower those people, who have no intent on respecting our rules of law, at the expense of general public who are simply trying to live normal and peaceful lives while simultaneously threatening them for trying to maintain that peace and order.
