Committee: House Committee On Housing and Homelessness

Measure: HB3501

It's plain to see the extreme left legislators and Governor Kotek have desires to turn Oregon into an anarchist state. The first step is exactly what they are doing, populating our state (more liberal areas) with homeless, addicts, criminals, rapists, set up phony non-profits to provide for them. I am disgusted with the House for moving this forward. Thoroughly disgusted. I hope the committee will do the responsible thing and kill this bill and any future similar bills that will degrade Oregon without reservations.

Thank you.
