Measure: HB3501

Oregon citizens pay some of the highest taxes in the country (see article below),. Police have been defunded to the tune of 15M in Portland and there is no help with the homeless crime, drugs and addiction. OR continues to dump billions of dollars into a situation that will only get worse and HB3501 will tie citizen hands, raise taxes and cause the exodus from OR to accelerate. B110 was a huge mistake and HB3501 is as well. These two bills are complimentary and will only increase drugs, crime and homelessness. Repeal B110 and do not pass HB3501 as it pays for more drugs. We have to wonder, besides the cartels, who profits? Nothing has been done to stop their trafficking. What will it take for Salem to take care of the citizens/taxpayers.
