

Submitter: Shandiz Tehrani

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

This bill will not improve the lives of homeless/houseless individuals, and would further keep people away and detached from services including shelters. Living in outdoor public space is not a compassionate solution to homelessness/houselessness. This bill further perpetuates the misguided idea of leaving homeless/houseless people in open-air outdoor conditions as “compassionate”. I strongly oppose this bill.
