

Submitter: Natalie Holt

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I oppose this proposed bill. I live in Representative Pham's district and am dismayed by her sponsorship of this bill. I support investment in clean, safe shelter for the unhoused in our community. Our public spaces, however, do not provide the necessary amenities for shelter. This bill doesn't address any root causes of homelessness; it only cements the status quo.
