

Submitter: Dee Wright

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

SB 3501 is not the direction for Oregon.

This is terrible public policy that will only encourage more homelessness and chaos.

This bill is a flawed and misguided approach to reducing to the problems of the homeless.

No home owner, no business owner, no traveler/tourist wants to have tents and camping with filth and human waste littering public parks, private businesses or near private homes.

NO for SB3501!
