

Submitter: Lisa Beaty

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Public spaces are maintained as open, public spaces for a reason. It's not as though no one owns them: in fact we ALL own them. Unless the majority of tax paying citizens choose to allow our public spaces to be treated in the same way they are currently being used (illegally) by the houseless population, this should never be considered acceptable by the legislature.
