

Submitter: James Vogt

On Behalf
Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure: HB2410

I am part of a group of 20-30 people who meets multiple times a week to use the tennis and pickleball facility. We are limited in our use of the facility because of the dangerous cracks on the court. Improvements are needed and would benefit the health and safety of our players.

Thank you.
