

Submitter: Ashley Crow

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Please do not allow HB 3501 to move forward. Our tax payers fund resources to help the houseless and are not being utilized effectively. Help people get off the street, stop supporting unwell and destructive behaviors and public camping, this is not the solution to give the people in need the help they deserve and we are paying to give them
