

Submitter: Debra Baller

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Please do not pass this bill. This will only cause more homeless people to do as they please on hard working people property. Causing great damage for land owners to have to clean up after. The ones causing the damage have no right to damage, destroy private property. This bill would only encourage more homeless people to do as they please.

Why should their rights out weigh ours as tax paying citizens? If you want to invite them to your own property that is your chose. But do not demand that I do!!!
