Committee: House Committee On Housing and Homelessness

Measure: HB3501

HB 3501 is a side-stepping of the issue of the homeless. Instead of rubber stamping the problem and pretending it's not happening, come up with a plan to actually address the situation. Find the resources to get people off the streets and into treatment. You'll never have perfect adoption of any housing or treatment program and there will always been constitutional implications to detaining people, that's understood. Having said that, it's cruel to the homeless and it's cruel to the tax-payer to codify the statue quo.
