

Submitter: Liz Towill  
On Behalf Of: Law abiding citizens of this state  
Committee: House Committee On Housing and Homelessness  
Measure: HB3501

This is a form of enabling that should not be tolerated. This bill is a violation of the civil liberties of homeowners, and those who pay rent. It encourages indigent people to infringe on the rights of tax paying citizens who have worked hard to earn the right to reside in their homes. Stop encouraging violence, bad behavior, and theft. Please read Shellenberger's San Fransicko. The way out of this mess is to offer services, by all means, but there also must be consequences for bad behavior. Otherwise, you're just lowering the threshold for "rock bottom."
