On Behalf Of: Me and all my friends

Committee: House Committee On Housing and Homelessness

Measure: HB3501

It's unconstitutional to take away property rights

And it's morally wrong to you keep giving people passes and drugs and a road others rights based on these people's bad decisions to get them into where they are and we're still not making enough treatment centers or anything else to get things better you just keep doing this and it's hurts and we're leaving cause you make our lives hell
