

Submitter: Megan Clover

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I strongly oppose this and am insulted that an elected representative who we pay with our taxes would actually propose a law that would take more of our rights away and give them to someone who doesn't contribute anything.

I work 7 days a week for what I have, this feels like another slap in the face for the hard working American.
