Measure: HB3501

Hi I am writing to Oppose bill 3501 right to rest.

We need to stop enabling these folks that are drug addicted and do not want to be participating members of society. Leaving these folks on the street causes more waste in our waters. Where to think they deficate? More rats in our city, their presence harms wildlife, is a danger to children and just overall wrong. These people need rehab, jail and jobs.

Sincerely

Vanessa Mariscal.
