Committee: House Committee On Revenue
Measure: SB1068

This is an issue that needs to be addressed. There are residences in our District that do not support our District due to the fact that they are outside the District's boundaries but are in our response area. The Tiller FD always responds to any medical emergency or fire call. We do not stop and look to see if the address is in the District. This potentially puts our responding personnel in danger and limits our capability to respond to another event occurring at a tax-paying members residence. This is not fair to our responders or the members of our District. Kindly enact this bill so that all who receive a response will pay their fair share. Thanks you for your consideration in this matter. Kevin Kehoe Fire Chief Tiller Rural Fire District
