Committee: House Committee On Housing and Homelessness

Measure: HB3501

Stop being the worthless politician, who suddenly has access to a massive new source of cash. Taxpayer money, many millions in taxpayer money, for a scam called homelessness 'prevention.' Now, what is homelessness prevention? Well, of course, it's the opposite of what they call it, as always. California has wasted over \$10 Billion on the homeless issue to get MORE homeless!

Bureaucrats enabling bums, junkies, and criminal thugs is NOT your jobs! The status quo is not a solution. Charge, prosecute, and jail criminals who violate the laws of order. Otherwise, there is no future for Oregon. Stop feeding the problem, and join me in a solution.
