

Submitter: Karen Bartlett

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I oppose the HB3501 measure. If this measure is passed the rights of all people will be altered for the worse. Human waste, trash and personal safety will change the landscape of Oregon in a damaging way. If it's passed it will usher in homeless people all over America to set camp here in Oregon and Oregon can not handle that level of influx.
