Committee: House Committee On Housing and Homelessness

Measure: HB3501

I am a citizen of Hillsboro and I strongly oppose this bill to allow homeless people to sue law abiding citizens & place their homeless tents anywhere they please. This does not solve the homeless problem, this creates an even bigger issue. There will be more homeless people in our streets and in our neighborhood. Most of these people are unfortunately addicted to drugs and are not seeking help and therefore are a danger to people living in Oregon. Do not pass this bill.
