

Submitter: Kevin Guinn

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

My name is Kevin Guinn and I live in Old Town/China Town in Portland, OR.

This ill-advised piece of legislation should be retitled the "Destroying Downtown Portland with Glee Bill" Be aware that your good intent has terrible real world consequence for those of us who actually live in the belly of this beast. I'm sure you're dressing this up as some sort of "harm reduction" but you overlook the harm caused to housed residents who can't safely walk to a grocery store, and whose lives and safety are impacted by street camping. Please withdraw this abomination of a bill.
