Committee: House Committee On Housing and Homelessness

Measure: HB3501

I feel very sorry for the homeless population. I do want to see measures taken to solve the problem. The population is growing and a solution must be addressed, but, not at the expense of the local homeowner citizens! We should have the right to ask the homeless to move from our property without the threat of arrest! Especially when they become

belligerent and abusive. Unfortunately I don't have a solution, but I know arresting law abiding citizens that are defending their property is not the American way. I am strongly opposed to Bill HB 3501.
