"HB 3462 A STAFF MEASURE SUMMARY  
Senate Committee on Housing and Development"

<https://olis.oregonlegislature.gov/liz/2023R1/Downloads/CommitteeMeetingDocument/271920>

[HB 3264] states, "...(3) If a specified agency administers the distribution of federal resources to an affected community in response to an emergency, **and members of the community are ineligible for such resources for any reason, including immigration status**, the specified agency may provide similar or equivalent resources to those community members, subject to the availability of funds in the budget of the specified agency."

[HB 3264] states, "..SECTION 1. (1) As used in this section, **"specified agency" means the Oregon Department of Emergency Management, the Housing and Community Services Department or the Department of Human Services.**

I support the temporary Housing of people who are legally here with reference to immigration status but...**I oppose any consideration save immediate deportation of illegal aliens.**

No one in the State of Oregon, can usurp for any reason to usurp Federal Immigration law and thereby confer any "immigration status" to anyone.

Federal disaster related money (our tax dollars) are to be used appropriately and legally.

David S. Wall

Mr. Oregon Concurr and says, "[HB 3462] supports Federal disaster related tax dollars to facilitate housing Illegal Aliens."
