

Submitter: Senator Boquist
On Behalf Of: Oregon State Senator
Committee: House Committee On Business and Labor
Measure: SB882

Representatives:

SB 882 adds maple syrup to the farm products law. Constituents in my former District have been working with OSU to bring these products to market in local communities.

There is another bill that has maple syrup added to it as well.

Your passage would help local farm economies.

Sincerely,

Senator Boquist
