Measure: HB2756

Dear members of the Joint Transportation Committee,

We have been Residents of Tigard for slightly over 40 years and transit Hall Blvd daily. Hall Boulevard has poor road surface conditions, potholes, and limited sidewalks or crosswalks in places that there should be. Making it unsafe for drivers, pedestrians, bikers, and most importantly, the children who use Hall to get to school. Over time multiple people have been struck on Hall Boulevard.

Tigard is willing to do their part to help improve Hall Boulevard, and we ask that the assists and enables the improvements required. After years of neglect to the detriment of our community, we deserve a safe road for all users. To make this happen we need you to pass House Bill 2756 to fix Hall and give it to the people who actually use it.

Please pass House Bill 2756 to make Hall Boulevard safer. Thank you for your consideration.

Bob Tomasovic
