# A CALL TO FURTHER ACTION

## I-5 Bridge Replacement and Influence Area Improvements

**Action #1**  
**Support Timely I-5 Bridge Replacement:**  
 We fully support replacement of the I-5 bridges and related corridor improvements:

- **Supplemental EIS:** support timely completion of studies, reports and permit applications
- **Bi-state legislative consensus:** drive toward regional consensus for long-term solution responsive to economic prosperity, climate stewardship and social equity
- **Funding commitments:** secure balanced project funding including emerging federal bridge and transit grants, commitments from both states and local contributions

The I-5 spans are functionally obsolete and require outsized maintenance investments to remain operational. A bi-state approach focused on practical solutions that improve mobility throughout this primary freight, commerce and commuter corridor is a regional imperative congruent with the 2002 I-5 Corridor Strategic Plan.

Additionally, we place high priority on long-range land-use and transportation corridor planning given steadily rising population and commerce forecasts.

105-year old I-5 Bridge

## Regional Maintenance and Operations Needs

**Action #2**  
**Pursue Funding to Advance State of Good Repair and Operations:** carefully evaluate recommendations of the Joint Transportation Committee's Statewide Transportation Needs Assessment, and consider enhanced and new funding models (e.g. road-usage charge).

**Fund Critical Area Operations:** dedicate additional maintenance, planning and traffic operations funds for critical urban areas (SR-14, SR-500, I-5, I-205) to optimize safety and mobility on our existing system.

The 2022 Move Ahead Washington package was a welcome down payment on our maintenance and preservation backlog. Additional funding is needed to support our regional economy and community with an optimized transportation network.

## Catalytic Economic Development Investments

**Action #3**  
**Fund Job- and Employer-Enabling Improvements:** support funding catalytic investments, which serve the objective of accelerating shovel-ready land for jobs and industry expansion.

- Prioritize prime opportunities:
  - Discovery Corridor (I-5/179th St)
  - Section 30 (SE 1st St)
  - Washougal Town Center/Port of Camas Washougal (32nd St)
  - Port of Vancouver USA Industrial Corridor (NW 32nd Ave)
- Support long-range transportation corridor scenario planning and needs analysis
- Refine tax increment financing (TIF) to facilitate economic and infrastructure opportunities
- Stabilize statewide programs including the Public Works Trust Fund, CERB, FMSIB, TIB, and FRAP

## Critical Regional Projects and Needs

**Action #4**  
**Fund Regionally Critical Projects to Address Immediate Needs:** secure funding for priorities that reduce congestion hotspots, improve safety and deliver multi-modal investments. Each project has been vetted through the regional planning process.

Following are critical regional projects (*lead agency*):

**A) West Camas Slough Bridge Widening (\$50M):** develop parallel bridge structure for westbound SR-14 traffic and added capacity (*WSDOT*)

West Camas Slough Bridge

**B) I-205/SR-500 to Padden Exwy (\$50M):** add auxiliary lanes to address congestion hotspot (*WSDOT*)

**C) SR-500/Fourth Plain/SR-503 (\$20M):** following recent planning study, provide funds for initial intersection improvement to address congestion hot spot (*WSDOT*)

**D) Washougal Town Center Transportation Access Improvement (\$80M):** improve corridors connecting Washougal including 32nd Street Rail Underpass; Town Center Connectors; 27th/Index Improvements for Port and SR-14 access (*City of Washougal*)

**E) SR-500/Everett St Corridor Improvements Phase 1 (\$15M):** install new Lacamas Lake Bridge above the floodplain with multimodal capacity (*City of Camas*)

**F) 179th St from NE 15th to NE 50th Ave (\$65.7M):** improve roadway to multimodal arterial standards supporting expanded capacity and economic development opportunities (*Clark County*)

**G) NE 15th Ave from 179th St to NE 10th Ave (\$21.8M):** add arterial connection to increase capacity in conjunction with 179th/I-5 interchange upgrade (*Clark County*)

**H) NW 32nd Ave Industrial Corridor (\$125M):** planning, engineering, environmental review and construction for new north-south freight arterial (*City of Vancouver*)

**I) NE 18th St at 138th Ave to 192nd Ave (\$40M):** arterial widening and multi-modal upgrade; leverages significant private sector investments (*City of Vancouver*)

**J) Eaton Blvd from SW 20th Ave to SR-503 (\$3.3M):** improve roadway to urban arterial standards and improve traffic safety (*City of Battle Ground*)

**K) Downtown Revitalization and Circulation Study (\$0.35M):** planning and design for downtown circulation plan including focus on alternative transportation options (*City of Battle Ground*)

**L) E 4th St Widening/Breeze Creek Culvert (\$12M):** complete street makeover with fish bearing culvert replacement for improved environmental outcomes (*City of La Center*)

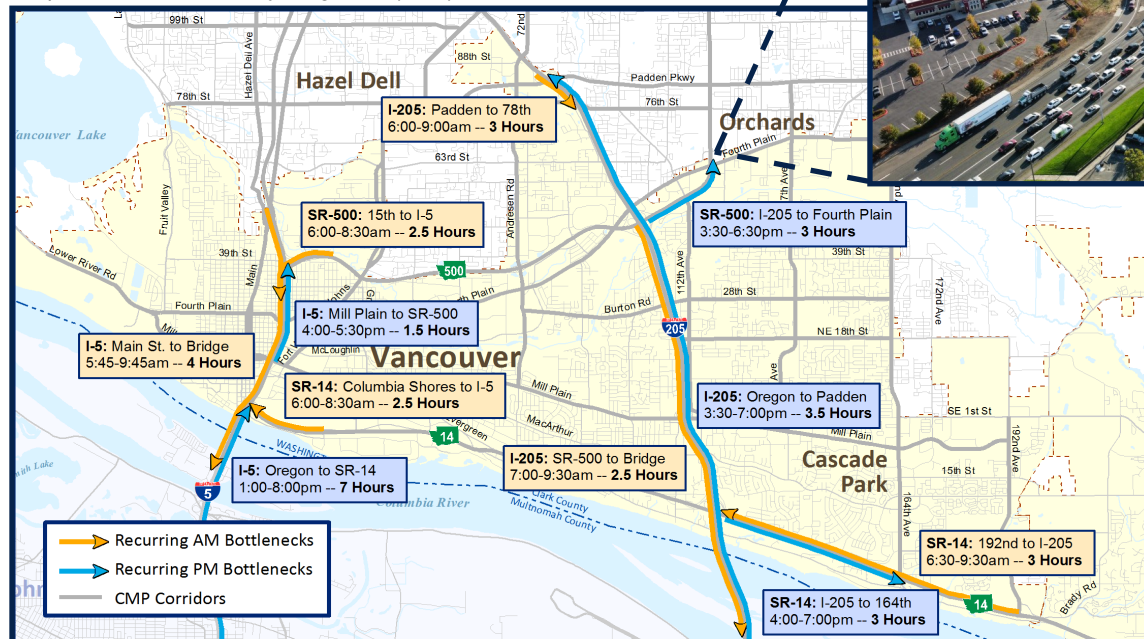

**M) NW 219th St Extension/I-5 to Hillhurst Rd (\$5M):** add western ramp access at I-5 and arterial street extension to Hillhurst Rd (*City of Ridgefield*)

**N) SR-501/Pioneer between 56th and 51st Ave (\$10M):** improve roadway to multimodal standards supporting economic development and community partnership opportunities (*City of Ridgefield*)

**O) Public Transit (\$10M):** help fund construction of C-TRAN's extension of the Fourth Plain BRT line that will interconnect with its Mill Plain BRT line. (*C-TRAN*)

## Facilitating Transportation Mobility, Economic Growth and Equity

We urge legislators to embrace the following priorities where possible:

- Support the evaluation of transportation investments to help ensure equity and climate goals
- Support broadband infrastructure to disperse economic opportunity, foster telecommuting and better compete in the evolving digital economy
- Support funding to adequately maintain the Columbia River marine highway shipping channel for the next 20-years, and for ongoing implementation of the channel maintenance plan
- Fund regionally significant freight mobility improvements for river, road and rail for Ports, as well as track improvements for the county-owned Chelatchie Prairie Railroad
- Support the Workforce Impact Fund to increase the supply of highly skilled and job ready individuals
- Support (\$3.5M) the Port of Vancouver USA's Terminal 1 Waterfront development project for safety, commerce and tourism
- Enhance or expand funding programs to improve Complete Streets by promoting safety and accessibility for everyone, including increased funding for safe bike and pedestrian pathways, sidewalks and street crossings
- Actively embrace smart technologies to ease pressures on the transportation grid and improve safety for all users

SR-500/Fourth Plain
