Measure: HB2572

It is shocking how our State Legislators are continually coming up with laws that are unconstitutional and are created in an effort to weaken the people of the State of OR. If the government is corrupt or has corrupt factions and attempts to attack or round up its citizens for any reason that they just want to round up enemies of the Democrats or round up people who don't want experimental drugs injected into their body--these laws and this is one of them--makes it impossible for people to defend themselves. We know of the existence of marauding gangs (Antifa, potentially militant homeless or the gangs that are from Mexico that are growing marijuana in Southern Oregon) attempt to take people's property--the people won't be organized to defend themselves. ILLEGAL MILITANT GANGS ARE ALREADY HERE FROM MEXICO--think about that.

STOP TAKING AWAY OUR RIGHTS. WE SHOULD BE ABLE TO ORGANIZE TO DEFEND OURSELVES. WHAT IF THE GOVERNMENT IS DOING UNLAWFUL PARAMILITARY ACTIVITY? We see the corruption of the government of Oregon and it is more and more evident. That TRX crpto was given to the State of Oregon. Shamia Fagan is the epitomy of corruption. we cannot trust the government to decide what the people need to survive.
