

Submitter: Gary Langlitz

On Behalf Of:

Committee: House Committee On Rules

Measure: HB2572

I expect, implore, demand (choose the applicable term) the Minority to use every option available to deny the Majority a quorum or otherwise stop this proposal and all the other ill-advised, insulting, and reprehensible rules and regulations coming from the liberal party. I obey our laws and I demand my government support me in this effort. I am a 74 year old lifelong resident of Oregon and a gun owner who has yet to receive so much as a traffic ticket. Don't allow me to be treated like a criminal!!
