Committee: House Committee On Rules
Measure: HB2572

I oppose HB2572. In our once beautiful state of Oregon, the Democrat policies are allowing drug use and violent crime to flourish. Crime goes unpunished and violent criminals roam our streets without a care in the world. The police are told to stand down and quite frankly are getting afraid to do their jobs because they worry about getting fired by their Democrat run offices. The people of Oregon deserve better, and deserve to protect themselves when left no other choice from the violence left unchecked by our "leaders". Start putting the tax payers of Oregon first for once, instead of the homeless, drug users, violent criminals, rapists, crooked Secretaries of state, Governors... Vote NO!
