Measure: HB2572

I oppose this house bill, it will deprive me of exercising my 1st and 2nd Amendment of the US Constitution, and the Oregon State Constitution at the same time. This a violation of the 14th amendment of the US Constitution and will prevent or stop crimes committed with firearms. This bill singles out one group of people that have not committed any crimes while exercising their constitutional rights, while ignoring groups such as ANTIFA and BLM that destroy property and hurt people exercising their 1st amendment rights! My law-abiding gun owning community is being targeted by liberal democrats and being held responsible for the actions of criminals that have no regard for authority or the law. Don't you think it would pay bigger dividends if liberal democrats concentrated on stopping crime as opposed to turning lawful gun owners into criminals!
