Committee: House Committee On Rules
Measure: HB2572

I very much oppose this HB. It's a kak handed attack from one side trying to hinder the other. I am a veteran and often enjoy a day of training with myself or with friends ..this is a hobby and not harming anyone. I am a law abiding citizen, what have I done to warrant this type of attack on my freedoms? I've spent 6 years of my life serving to protect EVERYONES freedoms. Only to become a civilian again and get a constant attack on my rights because people are ignorant and scared of something that makes a loud noise and that they themselves don't understand? This HB goes against my right of assembly, my freedom of speech, and my second amendment rights. Please...please do not allow this unconstitutional HB pass any further.

Thank you.
