Measure: HB2572

Egregious and vaguely worded sums this piece of legislation up. "Public patrols, drills or engages in techniques capable of causing physical injury or harm." So are handgun training courses illegal now? Is there a limit to the amount of people you can have in a self defense course now?

I could go on and it's likely many others here have. But I'm going to keep this short.

This bill violates the 1st and 2nd amendment as well as article 1 sections 8 and 27 of the Oregon constitution.

Send this poorly written bill through the shredder where it belongs.
