

Submitter: Christopher Hipp
On Behalf Of:
Committee: House Committee On Rules
Measure: HB2572

This bill literally infringes the 2nd Amendment.

“A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed.”

Our right to form a well regulated militia is protected by the 2nd Amendment. Since the state can arbitrarily decide what constitutes "civil disorder" almost anything could be considered unlawful paramilitary activity.
