

Submitter: Carole Ferris

On Behalf Of:

Committee: Joint Committee On Transportation

Measure: HB2756

We are homeowners off Hall Blvd. Hall Blvd is treacherous. It is dark and the blvd has numerous potholes. The disrepair of the blvd has cost us literally thousands of dollars in damage to our car wheels and tires. It is not safe to be a pedestrian or bicycle riders.

Please show some pride and maintain our roads. I know we pay exorbitant tax dollars.
