

Submitter: Sean Crawford
On Behalf Of:
Committee: Joint Committee On Transportation
Measure: HB2756

Dear members of the Joint Transportation Committee,

My name is Sean Crawford, and I have been living in Tigard for over eight years and have recently moved closer to Hall Boulevard two years ago. I have to drive on Hall to get to work, and each time I do, I see the terrible state the road is in. I have not only driven, but also biked and walked along Hall to get to downtown Tigard. I felt extremely unsafe with the state of the road, bike lanes, and sidewalks. The roads are heavily uneven, full of potholes, and riddled with trash (and likely because people have mistaken it as an open landfill through it's representation). Please pass HB 2756 so that this road can be brought up to par with the other roads in Tigard and so that everyone can feel comfortable using it through any means of transportation.

Sean
