

Submitter: Ben Cox

On Behalf Of:

Committee: House Committee On Rules

Measure: HB2572

I oppose this legislation. In theory, and in writing, it might not be bad, but this state has demonstrated a clear trend of allowing illegal activity of supporting political groups, while strictly enforcing said laws against groups of opposing political ideals. This legislation, while possibly well-intentioned, seems to only give more tools to keep the status quo enforcements or lack thereof, into the future.
