RE: SUPPORT THE FAMILY PRESERVATION PROJECT/HB 2731

Dear Co-Chairs Steiner and Sanchez and members of the Committee,

Please fund the Family Preservation Project/HB 2731. The bill creates in statute and funds the Family Preservation Project (FPP), which mitigates the impacts of parental incarceration on kids in Oregon that have a parent in prison. The program also secures almost a dollar-for-dollar match from private funds AND saves the state at least that much in other costs related to incarcerated moms and their children.

FPP has impacted the lives of thousands of Oregon mothers and children, providing services to help incarcerated women and their children overcome cycles of poverty, trauma, and intergenerational involvement in the criminal justice system.

I support FPP because it is a one-of-a-kind program that supports families in the most profound ways. FPP helps moms, children, and caregivers to maintain and strengthen their familial connections during incarceration. This connection leads to much greater impacts, including positive mental health, social behavior, and educational outcomes in children; constructive co-parenting opportunities with caregivers; hope, autonomy, and strength for mothers; and systems level changes – reducing recidivism, the number of children in foster care, homelessness, and broken families.

Lastly, funding FPP helps to actualize the Bill of Rights for Children of Incarcerated Parents. It is critical that we as a community and as a state recognize the needs and prioritize the rights of children of incarcerated parents from the time of their parent's arrest through incarceration. We must do better.

Funding FPP ensures fewer children are placed in foster care, incarcerated moms are less likely to go back to prison, and children of participants are exhibiting successful outcomes academically, socially, behaviorally, and emotionally.

Thank you for your leadership and for your commitment to Oregon. Please support HB 2731 so that these critical supports and services do not go away.

Sincerely,

Taylor Husak

Portland, Oregon
