

Submitter: Roger Bristol  
On Behalf Of: Little North Fork Retired People  
Committee: House Committee On Revenue  
Measure: SB1012

Senate Bill 1012 would be a great benefit to Retirees and people living on fixed incomes that had the loss of their homes compounded with the financial loss of their Measure 50 property tax protections. I strongly support the Senate's move to restore the Measure 50 Benefits to pre-fire assessment values.
