

Submitter: Andrew Greenhalgh-Johnson

On Behalf Of:

Committee: Joint Committee On Ways and Means

Measure: SB5506

I am writing today in support of ODDS POP 132. As we have seen during the course of the "Road Shows," DSP's and those advocating for DSP wages and POP 132 have been showing up to make their voices heard. Let's invest in this critical workforce, and show our support for hard working, dedicated DSP's, and folks who receive I/DD services.
