

Submitter: Dan Drayton

On Behalf  
Of:

Committee: Senate Committee On Veterans, Emergency Management, Federal  
and World Affairs

Measure: HB3421

I strongly support this bill and It's been to long coming. We absolutely celebrate these Hollidays on their designated days.

By making them only three day Holliday take away from the meaning of the day of remembrance.

I strongly urge you to pass this bill.

Thank you.
