

Submitter: Gregory Hickey

On Behalf  
Of:

Committee: Senate Committee On Veterans, Emergency Management, Federal  
and World Affairs

Measure: HB3421

As a decorated Oregon disabled combat veteran, I believe this is unnecessary flag waving. There are other ways to honor veterans. I believe Americans could be more united and cohesive by requiring high school students to perform some type of community service for a high school diploma or GED certificate. For now, creating more crowds would serve to give psychopaths more targets.
