

Submitter: Thomas Jost  
On Behalf Of: Combat Vets  
Committee: Joint Committee On Transportation  
Measure: SB422

Being a combat vet and putting my life on the line many times I don't want this chance to be wasted. Us riders should be able to split lanes. It will be safer for us and all the other crazy drivers on the road that don't pay attention to us on the road. Please make this happen for all of us.
