

Submitter: Tim Becvar

On Behalf Of:

Committee: Joint Committee On Transportation

Measure: SB422

As both a Motorcycle rider and a car driver, I find it incredibly dangerous and irresponsible to want to lane split, It is such a selfish thing to want something that has such a high risk of a collision either by an unsuspecting driver or an over-eager motorcycle rider. that will likely have a lasting negative physiological impact and or physical impact that it is not worth the very few minutes the rider can save by lane splitting.
