

Submitter: Jay Contonio

On Behalf Of:

Committee: Joint Committee On Transportation

Measure: SB422

I am a motorcyclist in Oregon and I support this bill. Lane filtering provides safety from being rear-ended by cars, and reduces the amount of space we take up in traffic. Like bicyclists, we risk our safety when sharing the road with automobiles, however we have no special lanes or special safety features. Lane filtering would be the first step.
