

Submitter: Jessi Presley-Grusin

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3526

Tenants need and deserve as much time as possible to prepare for eviction and this reduction is unacceptable. Reducing the amount of notice given from 90 days to 59 will adversely impact tenants in Portland and you should oppose any and all efforts to do this. If your goal as a committee is to prevent homelessness, then you must oppose this bill.

Thank you for your time and I hope I can count on you to do the right thing
