Measure: SB422

Dear Members of the Joint Committee on Transportation,

I am writing to express my support for SB422, which would legalize a limited form of motorcycle lane sharing in Oregon. As a motorcyclist, I know firsthand how dangerous it can be to ride between lanes of traffic, and how much safer it can be when done correctly.

Legalizing motorcycle lane sharing in a limited capacity would not only make our roads safer for motorcyclists, but it would also help to reduce traffic congestion and promote sustainable transportation options.

I urge you to support SB422 and help make our roads safer and more efficient for everyone
