Committee: Joint Committee On Transportation
Measure: HB3382

Dear members of the Joint Committee on Transportation,

I have a strong opinion on a bill being reviewed by your committee. I oppose the Port Dredging Exemption Bill, HB 3382.

HB 3382 enables major deepwater ports in Oregon to bypass essential land use and environmental regulations for the sake of fast-tracking extensive dredging and channel modification.

This bill would be damaging to important coastal waterways and to coastal fisheries.

I ASK THAT YOU VOTE NO ON HB 3382.

I appreciate your attention,
