

Submitter: Tonya Enger

On Behalf Of:

Committee: Joint Committee On Transportation

Measure: HB3382

Please vote No on this bill. More dredging will be devastating to these fragile and pristine ecosystems. Please consider the intrinsic value of these ecosystems and the cultural assets they provide for Oregon residents and beyond. Please learn more about the interconnectedness of the health of this region and the rest of Oregon's wild lands. Vote no- this bill is unethical and environmentally irresponsible.
